To mark the observance of Vigilance Awareness, the NSS Unit and Co-Curricular Committee of Government College of Engineering and Technology (GCET) Safapora organized a signature campaign on October 29, 2024 in the college premises. The campaign to sign "Integrity Pledge" witnessed active participation from faculty members, staff, NSS volunteers, and students, all coming together to show their commitment in incorporating honesty, integrity, and transparency in all aspects of life.

The campaign aimed to raise awareness about the importance of ethics and transparency, particularly in governance and public administration. It also encouraged everyone to exemplify these principles in their daily lives. By signing the Integrity Pledge, participants expressed their support for building an ethical culture within the college and beyond. It was observed that events like these are essential in shaping responsible future leaders to foster a culture of honesty and integrity.

At the conclusion, Prof. Safina ul Nisa, Head, Dept. of Electrical and Electronics Engineering, appreciated the organizers for the "Integrity Pledge" campaign.
