Sub:- Introduction of online Moocs Courses available on SWAYAM portal in Constituent Colleges.

Notice

Attention of the Principals of Constituent Colleges is invited to the introduction of Online Moocs Courses available on SWAYAM portal in the Constituent Colleges. In this regard meetings were held with the various Heads of Departments of the Colleges followed by series of offline and online meetings. During the meetings it was resolved that courses having 75% or more similarity in syllabus with the Cluster University courses, shall be proposed for introduction and credit transfer after successful completion. It was also resolved that there shall be SWAYAM coordinators in each Constituent College to act as mentor and facilitator for the students who opt for these online courses.

Following steps were also taken in this context:-

1. List of UGC approved SWAYAM (CEC) courses for which online registration commences from June and July 2020, were provided to Colleges. Online examination for these courses shall be held in Nov. 2020;
2. The teaching faculty has been tasked to select most appropriate courses from the UGC approved list keeping in mind the semester to be examined in Nov. 2020 by the Cluster University;
3. The syllabus of the SWAYAM courses so selected were mapped with the syllabus of the courses (Core/GE/Skill) running in the semesters (I, III and V) for which examination is scheduled in Nov./Dec. 2020;
4. In order to popularise these courses, websites of Cluster University and Constituent Colleges will host the list of these on line courses. The websites will provide all relevant information about these courses and also clear the doubts of the students in online mode.

In order to implement the introduction of the programmes, Principals of all Constituent Colleges are allowed to offer these courses to their students as Core, Generic or Skill courses as shown in the tables so that the registration for these courses takes place during the stipulated time period. Also, in order to reach the students community, faculty concerned may be tasked to popularize and motivate the students to take up these courses online and guide them during the course completion.

It is also requested that necessary notification, list of Courses and guidelines for selecting these courses may be displayed on the College website.
