From the Vice-Chancellor's Desk

Cluster University of Srinagar (CUS) has made discernible progress since its inception in 2016. CUS has launched fifteen Integrated, eleven Post- Graduate and four Honours Courses during the first two academic sessions. The Courses have become quite popular among the student

community as is evident from the fact that more than eleven thousand applications have been received for the session 2019. The diversity of the fifteen Integrated Programmes has added a new dimension to the Higher Education sector. The purpose of introducing these courses is to facilitate the students to choose a specialised discipline of their interest at an early stage to attain professionalism.

The 1st University Council Meeting held on 16th October 2019 resolved that the two centres of excellence: (1) Quantum Computing and Artificial Intelligence (2) Innovation and Entrepreneurship Development, be established in the immediate future to expand and strengthen the domain of research. The council also decided that the final semester of 5- year Integrated/ PG Programmes will be comprised of research based project work. The students will pursue their research projects from premier Institutions of the country. In this context, University has initiated the process of finalising the MOUs with the leading Institutions. Moreover, it has been decided to set-up Skill Development Institutes in each school of CUS to impart skills so that students become self-reliant and self-employed.

I welcome all the aspiring students to our campuses and I am sure that you will find our course-curricula and teaching at par with the leading Institutions.

Prof. Sheikh Javid Ahmed

Our Vision

To become a cluster of vibrant Institutions to disseminate and advance knowledge by providing instructional and research facilities in all branches of learning.

Members of the University Academic Council

OUR MISSION

- To act as a change agent by having a special focus on skill development and creation of skilled workforce by undertaking industry-oriented teaching, training and research, extension programmes and providing employable skills with a view to contribute to the development of the society.
- To make provisions for integrated courses in humanities, social science, science and technology in the educational programmes.
- To take appropriate measures for promoting innovations in teaching-learning process, interdisciplinary studies and research.
- To establish linkage with industry for promotion of science, technology, entrepreneurial skills, etc. and to adopt innovative methods to achieve the status of a self-reliant Institution.
- To pay special attention to the improvement of the social and economic conditions and welfare of people and their intellectual, academic and cultural development.

3. Govt. College for Women, M.A. Road, Srinagar (**School of Engineering and Technology**)
4. Sri Pratap College, M.A. Road, Srinagar (**School of Science**)
5. Institute of Advanced Studies, M.A. Road, Srinagar (**School of Education**)

(Affiliated Colleges)

1. Govt. College of Engineering and Technology, Safapora, Ganderbal
2. Govt. Degree College Gooripora, Hyderpora, Srinagar
3. Govt. Degree College Alochi Bagh, Srinagar
4. Govt. Degree College Eidgah, Srinagar

Sri-Pratap College (School of Sciences)

S.P. College, the oldest and premier institute of Higher Education in Kashmir has a history of 112 years of its glorious past. It was established in 1905, as an intermediate college by upgrading the famous Hindu High School, Srinagar. It was the personal effort of notable British Social Reformer and Educationist, Dr. Annie Besant who directed the Central Hindu College Trust, Banaras (to which it was affiliated) to appoint, Mr. M.U. Moore, a noted Irish scholar as the first Principal of the Institution. Beginning with a roll of eight students and six teachers on its staff, in a few years' time, the college rose to the degree level in Arts by 1911, when State Government took it over and renamed it as Sri Pratap College after the name of the then ruler of the state Maharaja Pratap Singh. In 1912 the college got affiliated to the Punjab University, Lahore 1947. The college affiliated to the newly established University of Jammu & Kashmir, which remained till 1969. Subsequently, when the University of Kashmir came in to existence in 1969, the Institution got affiliated to the University. A major event in the history of the Institution was the delinking of Arts programmes in 1975, since then the has been functioning as Science Institution. In 2017 Cluster University Srinagar (CUS) was established Under RUSA, and the college became as one of its constituent colleges. The first NAAC cycle took place in 2004 with the grade B++. Subsequently, the college achieved the distinction of earning grade A in the second cycle of NAAC in 2017

The College has very rich alumina including Dr. Karan Singh Ex Sadr Riyasat, Chief Ministers of J&K state Sh. Sheikh Mohammad Abdullah, G.M. Sadiq, Dr. Farooq Abdullah, Mufti Mohammad Sayeed, OP Malhotra (Retd)chief of Army Staff; Governor Punjab, Dr. Asgar Samoon (IAS) etc.

AMAR SINGH COLLEGE, SRINAGAR **(School of Humanities and Liberal Arts)**

Amar Singh College Srinagar is a premier Post-Graduate college of the state, a Nodal College and a Constituent Lead College of the Cluster University Srinagar established under J&K State Act- III of 2016. This college holds a distinguished position as the second oldest college in the Kashmir Valley after S.P College. It has started first in November 1913 as Amar Singh Technical Institute to teach students art, culture and basic skills like masonry, carpentry etc. and was formally inaugurated by Maharaja Pratap Singh on 29th May 1914. The Technical Institute was converted into Amar Singh College in June 1942. The college embarked upon a programme of diversification in a planned and systematic manner and paraded towards excellence. The academic journey of the college took off in 1942 with just two streams - Non-Medical and Arts besides having the distinction of conducting PG classes in English and Economics in the late forties, Prior to establishment of Kashmir University. Since then, the institution has made tremendous strides in terms of the variety of subjects and courses it offers. The college is located near Bakshi Stadium with Gogji Bagh to its East, Ram Bagh to its West, Iqbal Park to its North and Tulsi Bagh on its Southern side and is spread over 35 hectares (145553m²) of land, which constitutes an infrastructure of buildings amounting to a total built-up area of about 30000m² including a large playground, parks, and gardens.

As part of the commitment towards quality education and research, the college organizes and hosts a number of Seminars, Workshops and Conferences every year, which helps in keeping the faculty members and students abreast with the recent trends in various subjects besides enriching the campus life for one and all.

The college has produced a galaxy of intellectuals and scholars who have contributed at the local and global level as well. Famous Alumni of the college include Major General Mohammed Amin Naik, (Chief Engineer, Central Army Command, and first Kashmiri Muslim General in the Indian Army), Prof. Amitabh Mattoo (Noted Academician), Dr. Krishan Kumar (Chief technologist, NASA), Mr. M. Iqbal Khanday (Chief Secretary, J&K Govt.), Mr. Sofi Gh. Rasool (Chief Information Commissioner, J&K Govt.) and Dr. Adarsh Sen Anand (Former First Chief Justice of Supreme Court).

Abdul Ahad Azad Memorial Degree College Bemina, Srinagar (School of Social Sciences)

Abdul Ahad Azad Memorial Degree College, Bemina, Srinagar (Erstwhile Govt. Degree College Bemina, Srinagar) was established in year 1970 and the college started its academic operations in year 1972. The college has the distinction of having the largest campus in the state, spread over an area of 283 kanals. The college has grown over the years to a prestigious multi-faculty institution with a students' strength of more than 4500 in the year 2017-18. The institution is recognized by UGC under sections 2(f) and 12(B) and since then it was affiliated to the University of Kashmir Srinagar. The college has now become one of the constituent colleges of Cluster University Srinagar with UG, Integrated and PG programs. The College has a lush green, pollution free and serene environment with large number of plantations, to make it an ideal place for teaching, learning and research activities. The college got Re-accredited by NAAC with grade A in the year 2014. In addition to Srinagar city, the college caters to the academic requirements of students from far flung and frontier areas of the state like Gurez, Tangdar, Kupwara, Bandipora and Kargil.

Govt College for Women, M. A. Road, Srinagar (School of Engineering & Technology)

Situated in the heart of capital city Srinagar, Government College for Women, M. A. Road, Srinagar is a premier institution of higher learning for women. Established in 1950 with UGC registration under Sec. 2F and 12 (B) of 1956, the college has played a pivotal role in imparting higher education to women of Jammu and Kashmir and Ladakh. With its glorious past and excellent academic track record, the college is spread over a land area of about 8.4 acres. More than 5000 undergraduates and a good number of post graduate students are on rolls. The rich faculty of about 125 members and over 50 non-teaching employees of the college has been contributing to the overall academic, intellectual and physical development of the students. Recognizing the potential of the college in imparting quality education the college has been re-accredited with grade A by NAAC in 2012

From the inception, the college has crossed many milestones, fulfilled many promises, and launched many innovative and professional programmes which has not only accelerated its journey towards women empowerment, but made women visible in diverse fields and higher positions. The college takes pride in Women service. It has been rendering its service for the last 67 years. . The college has been honoured by the visit of His Excellency president of India, A P J Abdul Kalam in 2003.

Institute of Advanced Studies in Education, Srinagar
Government College of Education,
(School of Education)

Institute of Advanced Studies in Education with the Mission of “**Excellence in Teacher Education**” is the Premier Teachers Training Institute in the state of J&K. The Institute made a humble beginning in the year **1937 as Teacher’s Training School** in a small building at Magarmal Bagh, Srinagar. It was upgraded to the status of Teacher’s Training College in the year 1948 and used to offer courses of B.T and D.T up to 1956. **In 1956** the college was shifted to the present campus. In 1968, the nomenclature of the college was changed and named as Govt. College of Education, Srinagar. Again in 2016, the college upgraded to the status of Institute of Advanced Studies in Education on the recommendations of Ministry of HRD, New Delhi and now the Institute has mandate to conduct research and organise training courses for the faculty of Department of Higher Education as well. As the constituent Institute of the Cluster University, Srinagar, its nomenclature is “**School of Education**”, **Cluster University Srinagar**. A landmark achievement of the institute was to introduce M.Ed in the **2014** and M.A. Education **in 2017**. The institute has UGC Recognition under section 2(f) and section 12(b) of UGC Act 1956. The Institute was assessed by the NAAC Peer Team for the first time in 2004 and accredited with prestigious **Grade “A”** with a score of **87%**. In 2011, the institute was re-accredited by NAAC with **Grade “A”** with improved **GCPA of 3.52 on 4-point scale**.

The Institute right from its inception has been academic, socio-cultural and intellectual in nature: Great Luminaries like **Pt. Jawahar Lal Nehru, Dr. Radha Krishnan, Dr. Abdul Kalam Azad, Sh. V.V. Giri, Sh. Vinoba Bhave, Dr. Zakir Hussain** and eminent personalities from **U.S.A, U.K, China, Iran, Australia, Germany, Sweden, Hungary, Sri Lanka** have visited the institute and interacted with its students and staff.

A. Admission and Selection Procedure for 5-year Integrated PG, 3-year Honor's and 3-year Professional Courses

1. Candidates are required to submit Online Application Forms, available on the University website www.cusrinagar.edu.in Candidates can also submit online Application forms at the University office in Gogji Bagh, Srinagar.
2. Candidates should read and follow the instructions, available on the website, carefully before filling-up the relevant fields/columns of the application form.
3. A candidate has to deposit a minimum of **Rs 700 (Seven Hundred Only)** as Entrance Test fee for General Aptitude Test and subject in which he/she is seeking admission.
4. A candidate can apply for more than one programme, if eligible as per admission norms, by making extra payment of Rs. **250** / subject.
5. All programmes are full-time regular courses for the specified duration. However, “EXIT” option is available for students admitted in the integrated 5-year programmes after completion of three years as per University Statutes / University Grants Commission (UGC) regulations.
6. In subjects where both 5-year Integrated and 3- year Honor's or Professional programmes are offered by the University, there shall be a common Entrance Test and the selection shall be based on Merit of the candidate. First thirty students in merit list will be offered seats in Integrated/PG programme & next in merit list shall be offered seats in Honor's and Professional programme subsequently.
7. Candidate/s who have any discrepancy/deficiency in terms of result awaited, students of previous sessions, rechecking/revaluation, late result (in case of CBSE students) shall be granted provisional admission on their own risk and responsibility and are advised to produce an undertaking duly sworn by Ist class Magistrate that, they will submit requisite eligibility documents at the time of admission by or before **30th May, 2020**.
8. For Integrated 5-year PG , 3-year Honor's and professional Programmes selection shall be made on the basis of the merit obtained in the screening test comprising of two question papers with the following weightage:
 - a. Common Aptitude Test : 40 marks
 - b. Subject specific paper (Syllabus 11th and 12th JK BOSE) : 60 marks
9. Common Aptitude Test shall have 40 Multiple-Choice type questions and Subject specific paper shall have 60 multiple-choice type questions.
10. A copy of the syllabus of the subject specific paper can be downloaded from the website of Cluster University Srinagar www.cusrinagar.edu.in or website of JK BOSE.
11. Intake capacity for all 5-year integrated programmes is 30 Seats (Merit basis) + 10 Seats (Self-financed).
12. Intake capacity for Honor's and Professional Programmes is 40 Seats (Merit basis).
13. Reservation policy shall be followed as per University/State Government rules and regulations.
14. Candidates need **not** to submit Hard Copy of their downloaded Application form at the University office; they must keep it with them for future reference. **However, candidates who have any discrepancy as mentioned at Para 7, shall have to deposit hard copy of their downloaded application form in the University Office.**
15. Verification of documents will be made at any point of time during the admission process. The admission will be rejected if it is found that the applicant does not fulfill the eligibility criteria or has misrepresented/suppressed the information regarding category and other details.
16. Submission of Application form and appearance in the Entrance Test is subject to determination of Eligibility for admission to the programme and admission policy of the University.
17. For admission under Self-financed seats category, selection of the candidates shall be based on merit obtained in the Entrance Test. For this separate notification shall be issued by the University.
18. Those candidates who fail to obtain admission in Integrated, Honor's and Professional Programmes, through Entrance Test conducted for the purpose, their Merit obtained in the Common Aptitude Test (consisting of 40 Marks), shall be counted along with their Academic Merit obtained in (10+2) examinations for seeking admission in UG Courses offered by the University in its Constituent Colleges, depending upon the merit therein and availability of seats.

B. Admission and Selection Procedure for B.A/B.Sc/B.Com/B.Sc (Home Science)

1. All Programmes are full time regular courses for the duration of 3 years.
2. Candidates are required to submit Online Application Forms, available on the University website www.cusrinagar.edu.in Candidates can also submit online Application forms at the University office in Gogji Bagh Srinagar.
3. The selection of the candidates for all UG courses shall be based on merit obtained in Common Aptitude Test (CAT) plus Academic Merit obtained in 10+2 examination with the following weightage :-
 - a. Merit obtained at the 12th Examination: 60%
 - b. Merit obtained in Common Aptitude Test (CAT): 40%
4. Common Aptitude Test (CAT) shall consist of 40 MCQ's wherein, 15 marks shall be kept for General Reasoning, 15 for General English and 10 for Mathematics. The questions based on General Reasoning and General English shall be of Class 11th /12th level, whereas the questions based on Mathematics shall be of Class 10th level.
5. Candidates who appear in Common Aptitude Test (CAT) of 40 Marks for Integrated, Honor's and Professional Course, the merit obtained in the said Test along with their academic merit at 10+2 examination shall be counted also for their admission in UG Courses.
