

CLUSTER UNIVERSITY SRINAGAR

Syllabus for Persian under Graduate Course

1st - 3rd Semester

(MIL/AECC) NEP 2022

(Batch 2022 onwards)

Course Title: Introduction to Modern Spoken Persian

Course Code: UGPER22A101

Credit Value- 3

Learning Objectives:

1. The course is designed to build a foundational understanding of Persian language by acquainting the students with basic Persian alphabets, phonology and syllable structure while incorporating knowledge of Persian culture.
2. The course is intended to further enhance the skills of the students in interpretive (comprehension) and presentational (spoken language) skills of the students.
3. In continuation with the above mentioned objectives the course will also focus on developing linguistic accuracy and help to further improve reading, comprehension and basic writing skills of the students. The students will be encouraged to participate in the various classwork activities like oral expression, class projects, role plays, interviews etc.

Course Outcome:

On completion of the course the students are expected to be able to demonstrate elementary to pre intermediate level of comprehension in Persian language and should be able to demonstrate reading and writing skills.
