Admission Updation Notification

It has been observed that the colleges have not updated their admission details of U.G 2nd , 4th , 6th and I.G 7th Semesters except Govt. College for Women M.A. Road. This has become the impediment in uploading the internal awards. To ease out the process, the University has framed a following link: (<https://www.cusrinagar.edu.in/Account/StudentZone?R=%2FCUStudentZone%2FCombination%2FSetCombination>) which is also available on the University website www.cusrinagar.edu.in through which students can themselves update their admission details.

It is impressed upon all the Principals to direct the concerned to share this link in the WhatsApp group of the students so that they are able to update their subject combinations. Further, the officials dealing with the admission be directed to update the admission details in consultation with concerned DEOs of the University, which shall pave a way to concerned faculty for uploading the internal awards.
