

NSS CELL, Cluster University Srinagar, Organised workshop on Cyber Crimes in Collaboration with GDC Hyderpora

On 17th of Oct 2024, NSS Cell of Cluster University Srinagar, in collaboration with G.D.C Hyderpora, Srinagar, organized an insightful workshop on cyber-crimes aimed at educating students about the growing threats in the digital world. Mr. Mohd Yaseen Kichloo, IPS, a renowned cyber-crime expert of J&K, was invited as a chief guest and resource person. Mr. Kichloo shared his expertise on various forms of cyber-crimes and how they impact individuals and organizations.

In his presentation, Mr. Kichloo discussed different types of cyber-crimes, including hacking, cracking, phishing, pharming, email bombing, salami attacks, and skimming. He provided real-world examples and case studies, particularly focusing on banking frauds and other cyber-related threats that have been on the rise. The students were made aware of how these attacks are executed and the preventive measures they can take to protect themselves online. Mr. Kichloo also explained the legal frameworks available in India to address such crimes, encouraging students to report any suspicious activities.

The workshop was held in the conference hall of GDC Hyderpora, with active participation from students and faculty members. Prof. Sharif ud Din Khan, Principal of GDC Hyderpora, welcomed the chief guest and introduced the students to the growing threat of cyber-attacks, highlighting the importance of awareness in this digital age.

Dr. Faisal Mushtaq, NSS Coordinator for Cluster University Srinagar, accompanied the chief guest, supporting the initiative to spread awareness about cyber-crimes among students.

The program was well-organized, with NSS Program Officer Prof. Khurshid Ahmad Mir handling the stage and delivering the vote of thanks. Prof. Mir was highly appreciated for his coordinated efforts in ensuring the event's success. Other faculty members present included Dr. Deeba (Head, Department of English), Dr. Prince Firdoos Iqbal, Dr. Rakshanda, Dr. Murtaza Ali, Prof. Nisar Ahmed, and Dr. Tanveera Tabasum, who contributed to the overall success of the workshop.

The event underscored the commitment of the NSS Cell, Cluster University Srinagar to educate students about cyber security and equip them with the knowledge to navigate the digital world safely.
